**OORAH Distribution LLC** was established in March 2021 as a **Service Disabled Veteran Owned Small Business**. OORAH operates in a historically underutilized business zone. Our company is a wholesaler and distributor specializing in health and sanitation market sectors. Founded on the promise of providing our customers with the best service possible and helping them achieve their goals, we offer products at competitive pricing and customizable support services. Our distribution capabilities allow us to provide drop ship to large-volume shipment options across North America. Our connections and relationships with manufacturers, suppliers, and distributors, grant us **the ability to meet supply needs efficiently and reliably.**

#### Core Competencies:

- Wholesale & Distribution
- Health & Sanitation Product Wholesale
- Medical PPE Supplies
  - Gloves
  - Masks
- Surgical Equipment
- Medical Device Distribution
  - COVID-19 Antigen Tests
  - OPEP Devices
- Hygiene Supplies

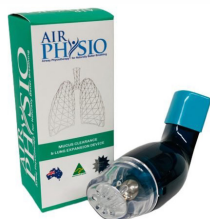

#### Differentiators:

- Personalized distribution, marketing, and sales support & services
- Versatility & flexibility to meet the distribution needs of any product type
- Shipment options available from drop-ship to multi-pallet in North America
- Specialized knowledge and experience in the health and sanitation market sectors
- We work with manufacturers, suppliers, distributors, and end-users, holistically meeting supply needs at every level.

## OORAH Distribution LLC sells quality products reliably.

AirPhysio Mucus Clearance Oscillating  
Positive Expiratory Pressure Device

**AirPhysio:** Mucus Clearance Oscillating Positive Expiratory Pressure Device—A respiratory therapy medical device for treatment of COPD, Asthma, and other respiratory ailments that also helps improve lung capacity and remove congestion. No batteries or power required. This product is FDA approved.

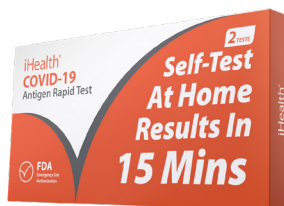

**Personal Protective Equipment:** Including gloves, masks, face shields, disinfectant wipes, and disinfectant chemicals, we can provide a full suite of products and brands—even hard-to-find specialty products—essential to protection in today's environment.

**COVID-19 Antigen Test Kits:** We have direct connections to antigen test manufacturers with significant monthly allocations or inventory for direct distribution. In addition, we can schedule priority production runs for guaranteed future deliveries and have access to all of the current test kit brands on the market.

Covid-19 Antigen Test Kits

12.6oz Bottle

2oz Bottle
